What other software applications do you use for your job? _____

CANCELLATIONS AND SUBSTITUTIONS: Payments for tutorial attendance must be received thirty (30) days prior to the scheduled start date. Cancellation requests made more twenty-one (21) days prior to the scheduled start date are entitled to a full refund, or the tuition may be applied to a future tutorial within six (6) months. Participants who cancel less than twenty-one (21) days before their scheduled start date will be charged 50% of the tuition fee. Substitutions will be accepted no later than seven (7) days before a scheduled tutorial. In fairness to all attendees, if there is no attendance at a tutorial for which you are confirmed and do not cancel as described above, there will be a 100% penalty fee. BRO will make every effort to avoid canceling or postponing any of its scheduled tutorials. However, if for any reason a tutorial must be cancelled or postponed, the participants will be notified by phone and/or e-mail at least twenty-one (21) days prior to the scheduled start date. In this regard, a participant may reschedule for a future program or receive a full refund. BRO is not responsible for travel expenses in the event of a tutorial cancellation. BRO reserves the right to postpone a tutorial if necessary at any time.
